Docket No.: 342312003601

The Applicants concur with the Examiner's Interview Summary of the telephonic interview on February 23, 2005 between Examiner David Lukton and Kimberly Bolin, agent for the applicants, regarding authorizing the Examiner to cancel withdrawn claims 1-21, 37-39, 47-50. The Applicants note the cancellation of these claims was made by an examiner's amendment mailed March 3, 2005. No exhibits were submitted and no prior art was discussed.

The Applicants further note that the Examiner's amendment was also directed to providing an amendment of the specification on page 1, after the title, to include the cross reference to related applications. For the record, the Applicants note that this amendment was made previously in a preliminary amendment co-filed with the present application on August 29, 2001 and reflects the claim for domestic priority set out in the application data sheet also co-filed with the present application.

The Applicants further thank the Examiner for review of the cited references and return of the initialed PTO-1449 form submitted with the Supplemental Information Disclosure Statement dated January 14, 2004.
